Will you please publish the following Press Release? Thank you.

FOR IMMEDIATE RELEASE

Adopt-A-Book Program starts at the Wadsworth Library

We all know that books are expensive. Each year the Wadsworth Library adds many new books to meet the needs of readers. We wish we could do more but like everyone, we have to stay within our budget. The Adopt-a-Book Program is a unique way for you to get involved and add new books to the library collection. It's a wonderful way to keep your library growing! Fantastic things happen when you Adopt-a-Book. You get to be the first person to read the book. A bookplate with your name on it will be placed in the book. Your adopted book can honor someone on a special occasion, such as a birthday. You share the joy of reading with others who borrow the book and your gift is opened again and again, as the years go by. If you would like to participate in the program, drop by the library, 24 Center St., Geneseo or call 243-0440 for more information.
